About Me

Passionate about Technology, with a solid foundation from ITE and current studies in Infocomm & Security at Nanyang Polytechnic. Actively involved in school events, holding leadership roles that enhance skills and dedication. Committed to continuous learning and eager to contribute to the dynamic IT community.

Projects & Experience

WorldSkills Singapore 2025 Preparation | IT Network Systems Administration

Jun 2024 – Apr 2025

- Configured and secured IT infrastructure across Linux and Windows environments.
- Implemented authentication, directory services, DNS, and encryption mechanisms.
- Managed and secured networks with firewalls, VPNs, and system deployments.
- Hardened mail and web services with secure configurations and access controls.
- Ensured reliability and protection through encryption and security best practices.

Nanyang Polytechnic | Advanced App Development Project

Oct 2024 – Feb 2025

- Developed a secure e-commerce platform using ASP.NET Web Forms (C#) and SQL Server.
- Integrated Stripe-powered checkout for secure payment.
- Implemented user authentication with hashed passwords (BCrypt) and email OTP verification.
- Added 2FA, OAuth 2.0, and session security for enhanced protection.
- Designed a dynamic interface using Tailwind CSS, Bootstrap, and JavaScript.

Nanyang Polytechnic | Systems Security Project

Apr 2024 – Aug 2024

- Built a secure file storage platform using Python Flask.
- Integrated OAuth 2.0 authentication and hCaptcha for enhanced security.
- Implemented multi-factor authentication (MFA) with QR codes, phone, and email verification.
- Added login alerts to notify users of logins from new IP addresses or devices.
- Developed a responsive user interface using HTML, CSS, and JavaScript.

Neo Electronics Pte. Ltd. | IT Intern

Jun 2022 – Aug 2022

- Supported customer service by resolving technical queries.
- Performed regular maintenance and updates on computer systems.
- Assisted with IT device configuration for deployment.
- Conducted quality checks to ensure proper functionality before deployment.

Education

Nanyang Polytechnic (NYP)

Diploma in Infocomm & Security

Apr 2023 – Present

- **cGPA: 3.81 (As of 4 Academic Semesters)**
- Medallion for Excellence in IT Network Systems Administration at World Skills Singapore 2025
- NYP Scholarship Awardee
- Best Performing Student in Cohort for Year 1
- Director's List for 3 semesters
- Edusave Academic Award 2024
- **Distinction Modules:** Database Management Systems, Network and Communications, System Administration & Security, Business Statistics, Network Technology and Infocomm Security

Institute of Technical Education (ITE) College East

Higher Nitec in IT Systems & Networks

Apr 2021 – Mar 2023

- **cGPA: 3.867**
- Outstanding Graduate Awardee
- Director's List for 3 semesters
- **Edusave Awards:** Edusave Academic Award 2022 & 2023, Edusave EAGLES Award 2023 and Edusave Character Award 2022
- **Distinction Modules:** System Programming, Wireless & Network Security, Advanced Networking, Virtualization, Applied Scripting Using Python, Computer Maintenance & Operating Systems, Networking Technology and Linux Essentials

Skills

- **System Administration:** Windows, Windows Server (2016, 2019, 2022), Linux (Debian, Red Hat, Ubuntu)
- **Networking & Security:** LAN/WAN, TCP/IP, Firewalls, VPNs, Encryption, Routing
- **Web Development:** HTML, CSS, Tailwind CSS, JavaScript, Python Flask
- **Programming Languages:** Python, C#, JavaScript
- **Data & Database Management:** SQL, Tableau

Participated Events

- World Skills Singapore 2025 for IT Network Systems Administration - Apr 2025
- Cisco APJC NetAcad Riders Participant – Mar 2025
- Cisco APJC NetAcad Riders Participant - Apr 2022

Extracurricular Activities & Leadership

WorldSkills Singapore 2025 Preparation | IT Network Systems Administration

Jun 2024 – Apr 2025

- Training for WorldSkills Singapore, focusing on advanced networking and system administration for national-level competition.

School of IT Club | Subcommittee Member

April 2023 – Present

- Organized events, promoted club activities, and enhanced student engagement through initiatives.
- NYP Open House 2025 & 2024, NYP EAE Festivals 2023 & 2024, Freshman Orientation Student Mentor in 2024.
